Subject: Gulfco January 20  
2005 Meeting

Dear Parties:

This is to confirm our January 20, 2004 meeting. The purpose of the meeting is to discuss the limited AOC revisions that EPA provided to the PRP Group that were outside the scope of the discussions at the December 3 meeting. After reviewing the revised AOC, it has become apparent that there were not a lot of additional changes. I only anticipate that it will take at most an hour to go over those changes. In the interest of saving you an extra trip to Dallas, it would be helpful if you submitted any additional markups you intend to propose prior to the January 20, 2005 meeting. I think it would be beneficial if I received your comments by COB Tuesday, January 18, 2005.

Sincerely,

Barbara A. Nann
